July 3, 2006

Important Notice

Dear Laurel Circle Neighborhood Residents:

A neighborhood meeting will be held on Tuesday, July 18, 2006 to discuss the improvement of Laurel Circle. These improvements are scheduled to start in July and be completed in the fall.

The meeting has been scheduled for 7:00 PM at the cul-de-sac of Laurel Circle, weather permitting. All interested residents are invited to attend. In case of inclement weather, the meeting will be held in the Community Room of the Township Municipal Building, 400 Witherspoon Street.

The items to be discussed at the meeting include the plan and construction schedule for the construction project, which includes road, curbing, drainage and sanitary sewer improvements.

Representatives from Vangelis Construction (the Township's contractor), the Township Engineering Department, Police Department, the Princeton Sewer Operating Committee and the Township Arborist will be available to discuss the project and answer any questions you may have.

Residents are advised that the Township will be imposing a 5-year moratorium on any street openings once the work is completed. Therefore, if you to plan to upgrade or install new utility services such as gas, water, electric, etc., you should contact the respective utility company at this time to make the necessary arrangements.

I invite you to attend this meeting to view the proposed improvement plans and to discuss any concerns you may have regarding this project.

Sincerely,

Phyllis L. Marchand
Mayor
