ROBERT V. KISER, P.E.  
TOWNSHIP ENGINEER

July 16, 2007

## **IMPORTANT NOTICE**

Dear Clover Lane Neighborhood Residents:

Beginning, Tuesday, July 17, 2007, weather permitting, Vangelis Construction Company, the Township's Contractor, will be installing additional base course of pavement on Overbrook Drive and Abernathy Drive.

The paving work will first start on Overbrook Drive and when completed, proceed to Abernathy Drive. The paving is planned to begin at 7 AM and is anticipated to be completed in one day, weather permitting.

During this time you will be permitted to leave/enter your neighborhood in the morning via Abernathy Drive and in the afternoon via Overbrook Drive after the paving operation shifts to Abernathy Drive.

Work hours will be between 7:00 AM and 6:00 PM. Provisions will be made for continued services such as mail delivery, garbage and recycling pick-up.

You will be receiving further notice prior to the final paving of Clover Lane, which is planned to occur later this week, weather permitting.

If the Engineering Department can be of assistance, or if you have any questions prior to 9:00 AM, or after 5:00 PM, please contact Scott Hutchinson, Engineering Inspector (cell phone #731-2631). Between 9:00 AM and 5:00 PM, you may contact Robert Killian, Construction Administrator, or myself at 921-7077.

Your assistance in continuing to tolerate the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood is appreciated.

Sincerely,

Robert V. Kiser, P.E.  
Township Engineer
